Dear Mr. and Mrs. Hartigan,

Hurriedly, I want to thank you for your warm card of the 25th. Expressions like yours, and the willingness of people to take the time to offer them, mean much to us.

Although a private printing and in unorthodox form, WHITEWASH is available to just about all bookstores. The major distributors handle it on a straight commercial basis. In your area, A & A Distributors, Mead Road, Holbrook, Mass., who are really national distributors, stock WHITEWASH.

For those to whom no bookstore is convenient, we do mail the book, by return mail. The book is $4.95 and postage 10 cents. We make no service charge.

Again, thank you for taking the time and for your kind thoughts.

Sincerely,

Harold Ribsberg
